6. SUBCONTRACTING - SUB-SUPPLY

Any subcontracting or sub-supply by Supplier shall be subject to Venturi's prior written consent. In the event of any unauthorized subcontracting or sub-supply by Supplier, Venturi shall not be obligated to receive the Goods and/or Services so supplied and to pay the Price thereof. Venturi's consent shall not relieve Supplier from any responsibility for the Goods and/or Services supplied by a subcontractor or supplier of Supplier. Supplier shall at all times be responsible for the direction and control of its subcontractors and suppliers and shall cause them to comply with Venturi's requirements, internal policies and procedures at any time in accordance with the Contract.

In the latter case, Venturi may witness such inspection and/or testing at Venturi's cost. Promptly after the completion of the inspection and testing, Supplier

8. PACKING AND MARKING

Supplier shall, in accordance with the requirements of Venturi, adequately protect, pack and mark the Goods for transportation to their final destination and/or for prolonged storage and, in the absence thereof, at least in conditions consistent with generally accepted practice for the type of Goods in question and in accordance with mandatory legislation or regulations. 9.2 Any acceptance of the Goods and/or Services shall be subject to the successful completion of the acceptance procedures and tests specified in the Purchase Order and/or the Supplier Quality Requirements agreement. Venturi's failure to object or reject the Goods and/or Services within thirty (30) business days as from the delivery for damage or loss, shall constitute an unconditional acceptance thereof by Venturi. Acceptance of the Goods and/or Services shall not relieve Supplier from any of its responsibilities under the Purchase Order, including without limitation Supplier's responsibility to meet the Warranties set forth in paragraph 11. Quantities of the Contract items shipped in excess of the quantities specified in the Purchase Order may be returned at Supplier's expense.

9.3 Venturi has the right to reject the Goods and/or Services or any part thereof if not accompanied by the documentation specified in the Purchase Order and/or the documentation customary for the type of Goods and/or Services in question.

9.4 As soon as Supplier is or becomes aware of any circumstances or events which may reasonably be anticipated to cause a delay to an agreed upon delivery date, Supplier shall promptly advise Venturi thereof in writing. If Supplier is unable to meet the agreed upon delivery date, Supplier shall pay or Venturi may, without summons, deduct from any

invoice the amount of three percent (3%) of the amount of the Purchase Order for each seven (7) calendar days of delay after the delivery date, up to a maximum of fifteen percent (15%) of the amount of the Purchase Order. The deduction by Venturi of the amount specified in this paragraph shall not relieve Supplier of any responsibility for delivering to Venturi the Goods and/or Services ordered.

9.5 Supplier undertakes that unless Supplier gives notice as indicated below, Supplier shall make Goods of the same type as those described in the Purchase Order as well as spare parts for the repair or part replacement of such Goods throughout the period of normal duration of life of the Goods and at a fair and reasonable price. 9.6 In the event Supplier fails or is unable to deliver the Goods and/or Services in accordance with the terms of the Purchase Order, and Venturi is compelled to purchase the Goods and/or Services and/or “form, fit, function, performance” equivalents from an alternative source at a cost to Venturi exceeding the Price for such Goods and/or Services, Venturi may charge and Supplier shall pay the incremental cost incurred by Venturi in obtaining such Goods and/or Services from such alternative source during a period of one (1) year.

9.7 Supplier shall supply certificates of origin of materials, components and/or of the Goods as specified in the Purchase Order or as required by laws and regulations. In addition, Supplier shall supply a certificate of conformity (COC) with the specifications and/or reference samples and models at first request of Venturi and any applicable test reports. All costs for such certificates shall be deemed included in the Price, unless otherwise agreed in writing.

9.8 Title in Goods and/or Services and the risk of damage to or loss of Goods and/or Services or any portion thereof sold hereunder shall pass to Venturi as from the moment the Goods and/or Services have been satisfactorily delivered to Venturi in accordance with the delivery term set forth in paragraph 10.1 below.

10.1 The Price is valid for delivery of the Goods and/or Services according to the Incoterms 2020 defined in the Purchase Order. Supplier will be liable for all taxes and/or duties levied until the delivery of the Goods and/or Services to Venturi in accordance with the agreed Incoterm.

10.2 Except as otherwise provided for under these Conditions or under the Purchase Order, the Price is firm and not subject to any upward adjustment of any kind.

10.3 Supplier will invoice the Price in EUR or USD or CHF as specified by Venturi in the Purchase Order, after delivery of the Goods and/or Services.

10.4 Supplier's invoice(s) for any Goods and/or Services meeting the requirements of the Purchase Order, will be paid by Venturi within thirty (30) days end of month as from the date of invoice(s), unless otherwise agreed in the Purchase Order.

10.5 Invoices shall be rendered on a shipment per shipment basis and be based on the quantities actually delivered and the unit prices specified in the Purchase Order. In addition to the legally required data, each invoice shall contain (i) the correct Purchase Order number, (ii) the correct corporate name, address, VAT number of Venturi and Supplier, all as specified in the Purchase Order, (iii) name and address of Supplier's bank together with Supplier's bank account

number, SWIFT and IBAN code. Any invoice failing to meet any of the above conditions may remain unpaid without bearing any interest and a copy thereof may be returned to Supplier for correction.

13. FORCE MAJEURE

Neither party shall be liable to the other for default or delay of its obligations under the Purchase Order due to any unforeseeable event beyond its reasonable control. In the event the delivery of the Goods and/or Services is delayed due to a force majeure event, the agreed upon delivery time shall be extended by the period of such delay, provided Supplier shall have given written notice to Venturi of the commencement of the force majeure event within three (3) business days after the occurrence. No extra payment shall be made by Venturi to Supplier for any expenses over and above those provided in the Purchase Order incurred by Supplier by reason of any such delay. In the event the force majeure event lasts for a period exceeding twenty-one (21) consecutive days, Venturi shall have the right to cancel the Purchase Order without incurring any liability.

14. SECRECY AND CONFIDENTIALITY

Supplier shall prevent unauthorized disclosure to and unauthorized use by others of Venturi's information, except to Supplier's employees and subcontractors on a need-to-know basis to properly execute the Purchase Order and who are first obligated in writing at least to the same extent as Supplier is obligated hereunder. The obligation of confidence continues during the Contract period and for so long as the information remains confidential thereafter.

Supplier may not use the Venturi name for the purposes of discussions with any third party regarding the supply of Goods and/or the performance of Services, or for the purposes of any advertisement or publicity, without obtaining the prior written consent of Venturi.

15. DATA PROTECTION

15.1 Supplier shall adhere to any applicable data protection law and shall implement appropriate technical, physical and organizational security measures to protect Personal Data against loss and unlawful processing. If applicable, such may result in reimbursement by Supplier in case of prepayment by Venturi.

19. TERMINATION FOR DEFAULT

19.1 In the event that (i) a petition in bankruptcy is filed by or against Supplier, or (ii) Supplier is declared bankrupt, or (iii) Supplier becomes insolvent or Supplier's credit becomes impaired in the reasonable opinion of Venturi, or (iv) proceedings are initiated by or against Supplier seeking appointment of a receiver, reorganization, liquidation, dissolution, debt rearrangement or any other similar relief, Supplier shall promptly after the occurrence of any such event notify Venturi thereof and Venturi, at Venturi's discretion, may either request the performance of the Purchase Order or terminate the Purchase Order. In the latter case, the Purchase Order shall automatically and without summons or notice period be terminated with immediate effect as a result of Venturi having expressed Venturi's will to do so by registered letter.

19.2 If Supplier fails to perform or fulfill at the time and/or in the manner provided in the Purchase Order, any obligation or condition required to be performed or fulfilled by Supplier under the Purchase Order and if Supplier fails to remedy any such failure within fifteen (15) days after written notice thereof from Venturi, Venturi may cancel the Purchase Order in question or any part thereof by giving written notice of termination to Supplier within any reasonable period thereafter.

19.3 Upon termination of the Purchase Order in accordance with the above provisions and notwithstanding any dispute between Venturi and Supplier with regard to Supplier's default, Supplier shall at no cost to Venturi: (a) immediately discontinue all work relating to the Purchase Order or to the part thereof terminated, and shall at Venturi's option either cancel or assign to Venturi all outstanding orders for materials and/or work; (b) promptly deliver to Venturi all specifications, drawings, technical documentation, models, molds, dies, tooling and the licenses and permits, certificates, attests and other documents related to the Goods and/or Services; (c) disclose and make available to Venturi all improvements to all of Supplier's improvements to the Goods and/or Services and the specifications, drawings, technical documentation, models, molds, dies, tooling related thereto (the "Improvements"); (d) promptly deliver to Venturi any equipment, material, specifications, drawings, technical documentation, models, molds, dies, tooling, which were supplied or paid for by Venturi and are in Supplier's or Supplier's subcontractors' possession; (e) promptly deliver to Venturi the inventories of finished and work-in-process Goods located at Supplier's or Supplier's subcontractor's premises; (f) grant Venturi the unlimited, worldwide, royalty-free and non-exclusive right to use and practice Supplier's specifications, drawings, technical documentation, models, molds, dies, tooling and the licenses and permits, certificates, attests and other documents related to the Goods and/or Services and the improvements to complete the work-in-process Goods and to produce Venturi's requirements of the Goods; and (g) refund to Venturi any and all advance payments made by Venturi provided such payment is not covered by supplies of Goods and/or Services prior to termination.

19.4 Upon the termination or expiration of a Purchase Order in accordance with the terms thereof, Supplier shall not be entitled to any indemnification, compensation or other payment solely by reason of or in connection with such expiration or termination and Supplier expressly waives all rights and remedies in such respect either in law or in equity. Supplier shall furthermore indemnify Venturi against all claims, liabilities, losses, damages and expenses of every character whatsoever incurred by Venturi as a result of Supplier's default.

20. REMEDIES

The rights and remedies of Venturi (including indemnifications payable by Supplier) specified herein and/or in the Purchase Order are in addition to and shall not be exclusive of or prejudicial to any other rights or remedies of Venturi at law or in equity. No failure or delay on the part of Venturi to exercise any such right or remedy shall operate as a waiver thereof or shall be deemed a waiver of any subsequent breach or default of Supplier.

21. GENERAL PROVISIONS

If any provision of these Conditions are found to be wholly or partly illegal, invalid, void, voidable or unenforceable, to the extent of such illegality, invalidity, voidness, voidability or unenforceability, such provision shall be deemed severable and the remaining provisions and the remainder of such provision shall continue in full force and effect. Any assignment of the Contract by Supplier without the prior written consent of Venturi shall be void. The Contract sets forth the entire agreement between the parties. Any amendment to the Contract and/or waiver of any right or remedy herein provided, shall be effective for any purposes only when made in writing and signed by duly authorized representatives of both parties.

22. GOVERNING LAW – DISPUTE RESOLUTION

The Contract shall be governed by and construed in accordance with the substantive laws of Switzerland, excluding its conflict of law rules and excluding the United Nations Convention on Contracts for the International Sale of Goods (CISG). Notwithstanding the foregoing, Venturi may, at its sole discretion, elect in writing that the laws of Monaco shall apply to a specific Contract or dispute.

Any dispute, controversy or claim arising out of or in connection with the Contract, including its existence, validity, interpretation, performance, breach or termination ("Dispute"), shall first be referred to senior management of each Party who shall attempt in good faith to resolve the Dispute within thirty (30) days following written notice of the Dispute.

Unless Venturi elects otherwise pursuant to the final paragraph of this clause, any Dispute not resolved amicably shall be finally settled by arbitration in accordance with the Swiss Rules of International Arbitration of the Swiss Chambers' Arbitration Institution in force on the date of submission of the Notice of Arbitration. The number of arbitrators shall be one. The seat of arbitration shall be Geneva, Switzerland. The arbitral proceedings shall be conducted in English. The arbitral award shall be final and binding on the Parties.

Nothing in this clause shall prevent either Party from seeking interim, conservatory or injunctive relief from any competent court at any time.

Notwithstanding the foregoing, Venturi shall have the unilateral and exclusive right, at its sole discretion, to bring proceedings against the Supplier before:

- (a) the competent courts of Monaco; or
- (b) the courts of the Supplier's domicile; or
- (c) any other court having jurisdiction under applicable law.

The exercise of this right by Venturi shall not constitute a waiver of arbitration for any other dispute.
